

# THE INTERNATIONAL SCHOOL OF CURAÇAO

## SCHOLARSHIP PROGRAM

for students between ages of 12 - 16

**Scholarship applications are only accepted after advertisement in the media (Deadline March 22nd)**

### ***The Program***

The International School of Curaçao (ISC) Scholarship Program is established to support the education of highly motivated and talented students residing in Curaçao who owing to financial reasons could not otherwise enroll at the School. ISC seeks to enroll students who will add to the already diverse population and who will contribute to the excellence expected at the school. Students applying for a scholarship will have to show proof of financial need, and excellence in their education.

### ***The Mission***

The International School of Curaçao strives to prepare children of merit so that they can develop their potential and skills in all academic areas, towards making a marked difference in the future of our societies. These children will pursue with excellence their studies, and impact the world by advancing their intellectual capacities, leadership potential and future careers.

### ***Eligibility***

The International School of Curaçao Scholarship Program seeks highly motivated candidates who wish to pursue their education in a private, US based curriculum school, where English is the medium of instruction.

Candidates need to apply in writing for consideration using the applications forms provided.

Successful candidates should possess the following qualities:

Resident of Curaçao

Solid academic record

A commitment to excellence

A desire to enroll in a private, US based curriculum school, where English is the medium of instruction
