- ✓ **Enrollment & Re-enrollment Fees are non-refundable. Placement for students whose re-enrollment fees are not paid cannot be guaranteed after May1st, 2024.**

A refund is based on the attendance of the student and contingent upon provision of written notice submitted in advance. (Please see page 21 of Parent-Student Handbook)

This refund applies solely to tuition. Attendance during any part of a quarter requires payment for the entire semester. Other school fees are non-refundable.

Families with more than one child at the school will receive a reduction in enrollment and re-enrollment fee of **NAf.1000** for the second child and **NAf.2000** for the third child. No enrollment or re-enrollment fee will be charged for additional siblings. Enrollment and re-enrollment fees are **non – refundable**. *Capital Levy Certificates (CLCs) are encouraged for all students and are required when a company pays the fees.* Late payments outside the above arrangements will be charged an additional **2% per month in fees**.

Families with three or more children in school will receive a 10% discount on tuition for the third and successive child applicable to the lowest tuition.

The International School of Curaçao reserves the right to change its Tuition and Fees in the event of a decrease in enrollment or a financial crisis not foreseen when fees were set. The Board of Directors of ISC has the right to increase fees at any time during the school year if deemed necessary. Under normal conditions, tuition can be expected to increase 2 – 4% each year.
