Mr. Daniel Cwik

In May 2024, ISC'S Board of Directors voted unanimously to change the name of the school's annual scholarship to The Daniel Cwik Memorial Scholarship in honor of Mr. Cwik and his lasting impact on the community.

Mr. Cwik worked at ISC from 2004 to 2022 teaching various subjects but best known by his former students for his IB History and Model United Nations classes. His contributions to the school went beyond the classroom having served on various committees for the school's accreditation and strategic plan.

Mr. Cwik was loved and revered by students, parents, and colleagues. His tenure at ISC imbued a sense of belonging at the school and the island's community. His unmistakable love for Dushi Korsou was evident and he considered the island his home.

Through this scholarship, we will keep his memory alive for years to come.
